POWERED BY

**Natural ingredients,
no carbon footprint and totally
unique to The Rose and Crown!**

We've always been proud of the fact that we brew our own ales, but we've realised our cellars are too small to brew enough for all our thirsty drinkers! That's why we are pleased to announce our partnership with Hillfire Brewery in Aylesbury!

Right now we are working with the Hillfire team to create the perfect range of ales for you, our discerning customers
